Professional Summary

Computer Science Engineering student with internship experience in Python Development, Full Stack Development, and Java Programming. Skilled in Java, Python, SQL, HTML, CSS, JavaScript, OOP, DBMS, and Data Structures & Algorithms. Passionate about software development, problem-solving, and building efficient applications.

Skills

- Programming Languages : Java , Python, C# ,C++
- Web Technologies : HTML , CSS , JavaScript
- Databases & software tools : MySQL , Oracle , GitHub , VS Code
- Core CS Concepts : OOPs , DBMS , Data structures & Algorithm, Software Engineering

Internship

Python Developer Intern

02/2026 – 08/2026

Skybrisk technology

- Developed and tested Python applications using object-oriented programming concepts.
- Implemented file handling, data processing, and debugging techniques.

Full Stack Development Intern

11/2025 – 12/2025

Skillbit Technologies

- Gained exposure to full stack development concepts and real-world projects.
- Worked on basic front-end and back-end workflows.

Java Programming Intern

11/2025 – 12/2025

CodSoft

- Developed Java applications using object-oriented programming principles.
- Implemented a number guessing game with proper logic and validation.

Projects

Number Guessing Game

11/2025

- Developed a console-based Number Guessing Game using Java.
- Applied control structures, loops, and conditional logic.
- Strengthened problem-solving and programming fundamentals.

Snake Game (Java)

- Developed a classic Snake Game using Java and Object-Oriented Programming (OOP) concepts.
- Implemented keyboard controls, collision detection, score tracking, and game-over logic.

Attendance Management System

- Developed a web-based Attendance Management System to record and manage student attendance efficiently.
- Designed responsive user interfaces using HTML, CSS, and JavaScript.
- Implemented features for attendance marking, record viewing, and data management.
- Improved understanding of front-end web development and user interface design.

Education

Bachelor of Technology 3rd year Computer science and engineering

2025

Dr.D.Y.Patil Pratishthan's College of Engineering Salokhenagar
87.87 %

H.S.C Board

2023

Bhogawati Mahavidyalaya, Kurukali
80.50 %

S.S.C Board

2021

Shree Nageshwar High-school, Rashiwade
98.00%

Certificates

- AI for beginners-HP foundation
- Java Programming 2022- Infosys springboard
- Python for Beginners
- Foundational C# -Microsoft
